3. Wellbeing Support

IPS Institute is dedicated to ensuring that all students experience an environment that is safe, supportive, and conducive to their overall wellbeing. This policy establishes guidelines to proactively support student wellbeing and provide resources to manage challenges that may impact students' mental, physical, and emotional health. It is underpinned by compassion and a commitment to act in a timely, professional and an inclusive manner when a student's needs are identified.

Principles of Student Wellbeing

1. **Safe and Inclusive Environment:** We will provide a learning environment that is free from discrimination, bullying, harassment, and prejudice.
2. **Holistic Support:** We recognise that student wellbeing encompasses mental, physical, social, and emotional aspects and integrates support in all these areas.
3. **Empowerment and Resilience:** We aims to equip students with the skills and resources needed to build resilience, self-esteem, and coping mechanisms.
4. **Access to Support Services:** We will ensure that students have access to appropriate internal and external support services when needed.
5. **Respect for Privacy and Confidentiality:** We will ensure that all information related to student wellbeing concerns will be managed with respect for the individual's privacy and confidentiality.

We do this by creating a positive and supportive classroom environment, ensuring staff are aware of the supports available in this policy and procedure, identifying early signs of wellbeing issues, and providing students with information or referring them to appropriate support services as needed.
